

Meeting at Civil Engineering Department Wrocław University of Technology

8th October, 2014 in Wrocław

The **Code_Aster Professional Network** organizes a meeting for members of the Community *Code_Aster* Open source and *Salomé Méca* from Poland and other countries. (in English).

This meeting will be held at the Civil Engineering Department of Wrocław University of Technology in **room 102/building C7 at pl. Grunwaldzki 11, Wrocław** between **9:00 am to 11:15 am**.

Thanks to the hospitality of **Civil Engineering Department** and the support of **Nobo Solutions**.

GOALS OF THE MEETING FREE OF CHARGE

This meeting aims to present the opportunities of *Code_Aster* and *Salomé* as simulation platform.

An important part of the meeting is dedicated to experience feedback from:

Teams of industrial organizations;

Academic teams committed to teaching and researching;

Services providers for *Code_Aster* Open source.

PROVISIONAL AGENDA

8th OCTOBER - 9:00 a.m. to 11:15 a.m.

Welcome of Civil Engineering Department and Nobo Solutions	00:05
Introduction	00:15
25 years of <i>Code_Aster</i> development and 12 years with <i>Open source</i> distribution	
Workshop teaching - development and quality	00:20
Tutorials - books - training sessions - tools for student practice	
PhD thesis - forge tools - cooperative projects for R&D - supercomputing	
V and V proof - ProNet's quality documents	
Capabilities and application of <i>Code_Aster</i> in structural mechanics	00:30
Examples from Network ProNet members	
Break	00:05
Capabilities and application of <i>Code_Aster</i> in civil engineering	00:30
Examples from Network ProNet members	
Round table and discussions	00:20

Registration before 6th October (see registration form on <http://www.nobosolutions.com>)
